

The Free Range Chicken Company (Pty) Ltd, a family-owned integrated food and agri business, based in the greater Cape Town area, supplying a range of products to selected markets both locally and internationally has the following position available.

GROUP SYSTEMS TECHNOLOGIST

Reporting to the Technical Manager, this represents an excellent career opportunity for a team player with the chief responsibilities including:

- Maintaining and continuous improvement of the company's documented FSSC 22000 Food Safety Management System.
- Reviewing and updating of Policies, Procedures, Work instructions and various record keeping templates at required frequencies.
- Act as the Food Safety Team leader and lead team meetings.
- Managing the Corrective Action and Customer Complaint system.
- Ensuring that external audit corrective actions are closed out timeously.
- Perform internal systems audits.
- Ensure that related activities are carried out as per documented schedules.
- Provide technical support to the company's food production facilities.
- Together with the Technical Team, facilitate external audits (FSSC 22000, ZA, Woolworths IBL, customer audits)
- Together with the external Health & Safety consultant, facilitate the implementation and maintenance of the company's Occupational Health & Safety systems.
- Assist the Technical Manager in maintaining Sedex membership requirements and participate in the company's SMETA audits.

The ideal candidate will have:

- An appropriate tertiary qualification (B.Tech Food Technology or B.Sc Food Science).
- At least five years proven technical experience in a FSSC 22000 certified (or equivalent eg. BRC, IFS, ISO22000) food production environment.
- Food Safety management system training at a recognised external institution.
- Knowledge of Occupational Health and Safety requirements will be advantageous.
- Good computer literacy and administration skills.
- Good interpersonal skills with the ability to work independently.
- A willingness to also work rotational weekends.
- A driver's licence and own transport a necessity.

To apply please email your CV to recruitment@frcc.co.za by **Friday 21 January 2022**.

Please consider your application unsuccessful if you have not been contacted within three weeks of the closing date but be assured of our sincere appreciation for the interest shown in our business.
