

New Product Developer

Located in Woodstock, The Food Foundry are development specialists with clients that include leading retailers and global brands. We work in a creative environment, with like-minded people on cutting edge projects. Life at The Food Foundry is never dull and no project or concept beyond the realms of possibility. Innovation is our passion.

We are looking for a New Product Developer to join our small team.

The following attributes will be advantageous in applying for this position:

- Love of food
- Awareness of local and global food trends
- Creative flair with food creation, cooking or development experience
- Food production experience
- Technical knowledge and experience
- Self motivated with the ability to work independently and to take ownership of projects
- Presentable, with good interpersonal and communication skills – client facing, working with NPD teams from other companies and retailers
- Solid organisational skills

Tertiary qualifications could be an advantage, but are not a requirement.

- Food Science Degree or qualification
- Formal chef Diploma or qualification

Own car is essential. Occasional local and international travel may be required.

If this position motivates and excites you, please mail Richard at richard@thefoodfoundry.co.za
Closing date for applications is Friday 14 January 2022. Should you not hear from us within 2 weeks from the closing date consider your application unsuccessful.
